Docket No. 2005-253-C - Application Requesting the Approval of the Name Changes of MCI WorldCom Communications, Incorporated to MCI Communications Services, Incorporated and MCI WorldCom Network Services, Incorporated to MCI Network Services, Incorporated (See Docket No. 1997-321-C and 1984-181-C)

Dear Mr. Terreni:

The Office of Regulatory Staff (ORS) has reviewed the referenced filing and has no opposition to the proposed changes to the companies' names requested by MCI WorldCom Communications, Incorporated and MCI WorldCom Network Service, Incorporated. Information provided in the application demonstrates that the Companies have appropriately filed with the South Carolina Secretary of State to amend their Certificate of Authority to Transact Business in South Carolina as a foreign corporation. In addition, the application states the name changes will have no impact on the customers and their services within South Carolina. The ORS finds that the requested name changes are not inconsistent with the public interest.

Sincerely,

James M. McDaniel  
Program Manager - Telecommunications
